## **CYBER CRIME AWARENESS WORKSHOP**

A successful workshop was organized by AAGHAAZ on 26th July, 2019 in order to create legal awareness among students about CYBER CRIME in the seminar hall. Our Honourable Principle, Inderjeet sir and Respected Geetha Ma'am inaugurated the workshop with the special guest Inspector Ajit Kumar (Delhi police South District) by lighting the diya. Many informative and helpful topics were discussed for keeping our data safe. Like changing passwords frequently, not keeping easy passwords, not getting trapped in bank fraud calls. The cases of cybercrimes are increasing day by day, it's our duty to be alert and safe so that this ratio comes down and also it's good from the safety purpose. It was good to see that the spectators were alert and attentive. It reflected how we as the youth are understanding responsibilities. It was great to see everybody interact and question.

## **PRIDE MARCH**

20th September, 2019 we organised a PRIDE MARCH, an effort to undermine the prejudice against LGBTQ community. We received an overwhelming response from the people who took part in the March, irrespective of their sexual orientation. They all showed huge enthusiasm which was articulated in the form of slogan, heralding the March with rainbow coloured flags, and by painting their faces and hands symbolising the rainbow flag. It was a great move for Pride March to be executed so well in our college along with the support of teachers, and a massive number of students, showing love can indeed be expressed and celebrated, without any restrictions.

## ONLINE SPEAKUP CAMPAIGN ON HOMOSEXUALITY

Aaghaaz on 7th October, 2019 had organised an Online Speak-up Campaign on Homosexuality which was attended by around 150 people. There was a huge enthusiastic response from participants and others. Discussion included the hatred towards homosexuality in Indian culture stems from the Vedic era as shastras prohibited the same gender relations or marriages as an illegitimate relation as the couple cannot further the human race or produce offsprings. Their freedom to love was prohibited until 2018 when they saw the light of the day when the Supreme Court announced its historic decision of legalizing the same gender relationship by scrapping section 377.

## ONLINE OPEN PEN COMPETITION

Aaghaaz- the Women Development cell of CVS held an online pen competition from 9th to 10th May, 2020 on the occasion of Mother's Day to cherish and honour the love of every mother. We celebrated motherhood the entire month of May, through our ONLINE OPEN PEN COMPETITION. The entries and poems were just diverse, but all shared the same sentiment – the child's feelings about their mom. The works and writings were of an exceptionally high quality, which made picking a winner exceptionally difficult. It was just wonderful to read and go through all the poems, drawings, writings we received from the students.

Mothers

Wakes me at six but tells me ten  
Warns, stay away from all kinds of men  
Asks me about my honest opinion  
But would reject it in her dominion  
Asks me what she shall cook?  
But ends up giving me 'that' look  
Spies on me like an intelligence detective  
When caught, she says that I am just protective  
When she wants me to clean my room  
She'll debt me with her 9 month womb  
I think it's her trump card as it seems  
Nevertheless her emotions are extreme  
I am too big to take responsibility  
But too young for general credibility  
When I try to be too bombastic  
She brings me down by being sarcastic  
Do this, Do that, but nothing at all  
Help me here, you are not a doll  
Scolds me for my obsession with phone  
Learns technology when she is alone  
When I tell her I got hurt  
She'll scold me for a dirty shirt  
Apparently the kitchen is never clean  
Smirks but asks 'anything else my queen?'  
Water bottles in fridge are never full  
Run from there or she'll do the needful  
All things aside she is a sweetheart  
Don't get fooled she is very smart  
But her smile can take all sorrow away  
She is imperfect in her perfect way.

## DONATION DRIVE

Be the reason of someone's smile, be the reason someone believes in goodness. Keeping the same in mind, Aaghaaz, the Women Development Cell of College of Vocational Studies had organised a Donation Drive to donate for a noble cause. It was organised on 4th and 5th March in the college premises. Many essentials items including sanitary napkins, clothes, and eatables were collected, which were further donated to the needy ones. It was all about making an impact and reviving the faith in humanity. Acknowledging the power to 'GIVE' as not a duty, but privilege, it was our time to be the change that wish to see in the society.

## NOOR- EK NAYA DAUR (CVS GIRL'S DAY)

This event was organised in collaboration with STREEDHAN on 19th February, 2020 within the college premises. With full enthusiasm the event was commenced. Our convenor Ms. Geetha honoured our guest speaker Ms. Tanya Malik. She then proceeded with an interactive session and told us some hideous but true statistics. With the help of a presentation she tried to explain and extract knowledge about the rape culture and how every one of us is a guilty contributor to it. Though it was CVS Girls Day but she didn't forget the boys, who are also the victim of this serious rape culture. We discussed and realised how we need to navigate an end to rape culture. After the workshop which was the main highlight of the event, the day was adorned with two most awaited events The Singing and The Poster making competition which were amazing. As the event came to an end Aaghaaz thanked their guest speaker, all the participants, our convenor and all the members of Aaghaaz for their presence and making this event a success.
