APPEAL

Elections are a precious moment for Bharat. As stated by the honorable Chief Election Commissioner of the ECI Elections are the most beautiful expression of India's democracy. 'Nothing like voting', The Electoral Literacy Club and NSS unit have worked very hard over the last 8 months to make your voting experience comfortable and pleasant by organizing Mega Voters' Registration Drive, organizing voters' awareness campaigns, organizing SVEEP events and the EVM display during College Fest TATVA'24. Since elections are on May 25, 2024, it is our sincere request that you please cast your vote, it is our request, our appeal, and our persuasion. We are all aware of the summer heat, for which we should all take precautions, but we know that the spirit of Indian voters will beat the summer heat. It is important to exercise the right to vote, as you are voting for yourself, your family, your children, your town and city, and for the nation. The father of the nation, Mahatma Gandhi, rightly observed, and we quote "I understand democracy as something that gives the weak the same chance as the strong" we unquote. The ECI, CEO of Delhi, and the DEOs of Delhi have made the most sincere efforts to conduct elections smoothly and in a fair manner in Delhi. As these elections are called Chunav Ka Parv, Desh Ka Garv, we mean it as it is everyone's pride. Dear Students, Faculty Members, and Non-Teaching Staff, we earnestly appeal to you all to come forward and cast your vote on May 25, 2024, and get your family and friends to vote and motivate everyone around you to vote. We appeal to all the first-time voters of the college to stand up and take charge of this democratic responsibility and motivate all to vote.
